

DREAMER

Dreamer – you are my dreamer!
Girl – you are my friend!
You are everything I ever dreamed I'd have!

Dreamer – you are my dreamer!
Boy! – you are my friend!
We'll always be together
Though this world may end!

Where-ever I go – I'll think about you
Were-ever life takes us – I'll be with you

Dreamer – you are my dreamer!
Friend! – you are my love!
We'll always be together
Though this world may end!

Dreamer – you are my dreamer!
Lover! - my friend!
I'll always be beside you
Until the end!

Love is the answer –
Faith makes us strong!
Peace is our reason –
Tomorrow we're gone!

No plans to make
Nowhere to run

Never stop trying
To reach for the sun!

Love is the answer –
Faith makes us strong!
Peace is our reason –
Tomorrow we're gone!

Dreamer – you are my dreamer! Girl – my friend!
We'll always be together until the end

Dreamer – you are my dreamer! Boy! – my friend!
Always together until the end

Dreamer – my dreamer! Friend – my love!
Live for the moment, give all that you have!

Love is the answer –
Faith makes us strong!
Peace is our reason –
Tomorrow we're gone!
